

COUNCIL AUTHORIZES RECREATION PROGRAM

Continuance of supervised recreation in Daly City during 1941 was assured by the Daly City board of councilmen, Monday evening. A unanimous vote authorized the renewal of the \$3,600 co-sponsor's project application to the Works Progress administration.

"Recreation is a step forward in a community," Bruce H. Boynton, local WPA director said today. "During the past year, more than 3,000 persons have enjoyed free classes and social activities in Daly City. With fifteen qualified leaders now available, we hope to make 1941 an even bigger and better year."

Of the \$3600 co-sponsor's contribution, Mayor John J. Fahey pointed out today, less than one-third is paid out in cash. The remaining two-thirds is credited to rentals and other incidental expense.

All labor is furnished by the WPA, with the Recreation payroll in Daly City amounting to \$15,000, annually.

Other business at Monday night's council meeting included

BAD ACCIDENT

Werner Ilgenstein Critically Injured

Eleven-year-old Werner Ilgenstein, 76 Shakespeare, lies critically injured in St. Mary's hospital today as the result of an accident here late Saturday afternoon.

The Woodrow Wilson school pupil was riding a bicycle at San Jose and Bepler streets when he was hit by a car driven by Frank Rex, 6736 Mission street.

Rushed to the Villa hospital by the Daly City ambulance, Werner was given emergency first-aid treatment. The Daly City ambulance then removed him to St. Mary's hospital, where his condition today was reported "a little better."

A fractured skull, internal injuries and a broken right leg were incurred by the force of the impact. Werner is under the care of Dr. William C. Lynch, local physician and surgeon.

Rex is being held by Daly City police on charges of reckless driving with personal injury, and driving without a license.

Werner is the son of Mr. and Mrs. Fritz Ilgenstein. Ilgenstein is well-known in Daly City, where he is proprietor of Farmers Meat Market.

Elect Fred Beer To Board Chairmanship

San Mateo county's only new supervisor, Thomas L. Hickey of South San Francisco, representing the first township, of which Daly City is a part, took office at the courthouse in Redwood City last week. He re-affirmed his previous statements that continued cooperation of San Francisco and San Mateo county were needed if both were to progress.

As one of his first acts, he voted with his four colleagues to elect Supervisor Fred E. Beer of San Mateo the board's chairman for the next two years.

Beer succeeds Chairman Hugh H. Smith, who retired to private life after more than 22 years in public office.

Good Attendance At Conference

DRAFT BOARD

Postpone Second Call Until Jan. 28

Originally scheduled for January 20, the second call for compulsory military training has been postponed until January 28, the Daly City-South San Francisco draft board announced this week.

It is expected that the additional time will make it possible for the board to fill its 28-man quota. Physical examinations are being rushed through at the rate of seven a day.

Of the 23 men already available, eight are volunteers. The remaining fifteen have been selected from the list of registrants in the order in which their numbers were called in Washington, D. C. This contingent will be Daly City's first actual peace-time conscription.

Approximately 100 men have now been classified and given physical examinations if necessary.

In other words, out of the first 100 men on the Daly City-South San Francisco list, an approximate 25 per cent will be available for service. The remaining 75 per cent have been deferred because of dependents, failure to pass physical examinations, or other reasons.

Tomorrow's Election Day At Jefferson High

Climaxing an enthusiastic campaign period, Jefferson Union high school students will ballot tomorrow on officers for the spring term.

Qualifications for candidates specify that seniors only may run for the presidency and no office-seeker may have a grade average below C—.

S. O. S. -- Bees Invade Yard

Daly City police received a "stinging" complaint last week, when a resident of the Crocker tract reported that his yard was invaded by bees.

He would appreciate it, he said, if the officers would ask his neighbors to keep their bees at home.

Daly City police took charge of this somewhat delicate situation and were able to report with satisfaction today that the bees will soon be moved into the country for the summer.

Arrangements for Jefferson Union high school's second January commencement are nearing completion this week. Student speakers, who will address their 46 classmates, families and friends, at the exercises next Wednesday evening, have selected their topics.

Norma Barker, senior president, will give the "Welcome;" Barbara Foreman, senior girl with highest scholastic rating, will discuss "The American Way;" Bob Capps, who takes top honors among the boys in studies, has elected to speak on "Education—The Road to Peace," and Bill Rigler, student body president, will present the "Farewell."

Senior committees have had a great deal to do with the success of the event. Students serving include: flowers, Chairman Deva Lucchesi, Virginia Rivas, Thelma Templin, and Lydia Van Den Berg; announcement, Chairman John Schauer, Adrienne Travers, Nadine Nelson, and Andrew Hermosilli; cap and gown, Chairman Ray Humphrey, Evelyn Dalessio, (Continued on Page 4)

"Good Deed" May Lead To Tragedy

Adding a note of possible impending tragedy to a recent act of kindness, Dr. J. C. Geiger, San Francisco health director, stated yesterday that "if the woman who found a mongrel dog on Junipero Serra boulevard on New Year's day does not report to the department of public health immediately, both she and her relatives may face a tragedy."

According to Dr. Geiger, the dog had rabies and died in an animal hospital the next day after it was returned to its owner.

Bank Bowlers Lose To Creamery

Daly City Record To Sponsor Tournament

Daly City Creamery bowlers won two games out of three from Bank of America in Sunday's tournament at the local alleys.

Creamery scores:

First game 704
Second game 662
Third game 678

Bank scores:

First game 595
Second game 716
Third game 624

Lena Gamba rolled high score for the creamery with a total of 189 in the second game. Lena, Bill Smith, Bill Wilson, John Harper, and Jack Wilson made up the creamery aggregation.

HIGH SCORE

High score for the day and all-time high score for the local alleys was rolled by Joe Warren, playing for the bank, in his second game. Warren started the game with a strike; second frame he got nine pins; third frame a spare; then a whirlwind finish with seven strikes; eight pins with his first extra ball and two with his second. That game won for Joe the honorary title of "Daly City Champ."

Jack Guilbert, Ed Silvey, Helmer Nielsen, and Ed Nolan also played for the bank.

D. C. - MANTECA

Daly City boys took Manteca girls in three straight tournament games, week ago Sunday. Clyde Ramsey, Richard Pearson, Miles Butcher, Gene Melcher, and Tony Noli rolled 733-626; 776-666; 734-575 victory over the feminine invaders.

Ann Dadasoirch, Irene Dittmer, Margaret Farley, Louise Warner, and Mary Peltier played for Manteca.

EAGLES LEAGUE

B Team Wins Over A Group 2-1

In one of the most surprising upsets of the Eagles league, Colma Vista Grande Aerie No. 1848's B team bowled over their brothers, the haughty A team, two games to one on Monday night.

Cliff Curry, captain of the A team, again took all top individual honors for the league, with a 202 game and a 555 series for the evening.

Fred Hanel was leader in the B team with a 498 series, helping to roll up the winning score.

Another upset was recorded when the tough Redwood City team lost three games to the Golden Gate B quintet and dropped from second to fourth place in the league.

If Golden Gate B can defeat the leading Redwood five, can they defeat Colma A? This is the question members are asking each other as they prepare to meet the San Francisco team this coming Monday night. Former score in this match, the first run off at the beginning of the league, was 3-0 in favor of Daly City.

On Monday evening, the Colma B team will again clash with (Continued on Page 6)

Basketball League Games Open

Strong San Jose Team Defeats Jefferson

With the official opening of the season, interest in basketball is rising throughout the county. Fans of the Jefferson Union high school cagers watched with interest the first league game for the local boys—a stiff tussle with the strong San Jose teams at San Jose, Friday night.

Living up to their name as two of the strongest teams in the league, the San Jose varsity and 130's handed the Jeff men a pair of trouncings. However, the local boys, in spite of getting off to a bad start, promise to develop into quite a fine team during the season.

Lineup included:

F John Razzari
F Briseno
C Dyer
G LeKoff
G Faulk
Other players were: Steele, Scharf, Spark, Capps, Rupert, and Cacciaqaglia.

The 130's also lost their first league game, as the San Jose cagers chalked up 35 points to Jefferson's 17.

The line-up was as follows:

F Chas. Razzari
F McHugh
C Domecus
G Heurta
G Parker

High man of the game proved to be Domecus as he rang up one field goal and five free goals to his credit.

Other players were: George, Wiseman, Freeman, Ecker, Fernando and Callan.

Jefferson has three more practice games before her next league game, January 24 at Burlingame gym.

BUICK NEWS

Soldavini Reports
1940 Biggest
Year In History

Nineteen-forty was the biggest Buick sales year in California of all time.

This was the announcement made by M. J. Soldavini local Buick dealer, Belli Motor Company who stated that last year's new Buick sales in California

John Soldavini

totaled 22,624, exceeding the best previous year's volume of business, established in 1927, by more than 2,000 sales.

"Entering 1940 with a running start from 1939, the records show that many monthly records were topped during the year." Soldavini said. "Following the arrival of the new 1941 models in September, Buick sales soared to unprecedented highs, and the topmost monthly mark in the 36-year history of Buick was reached in October when 3,001 new Buicks were registered in the State.

"Compared with 16,082 registrations in 1939, last year's volume of Buick sales in California represent a gain of 41 per cent.

"The same record-breaking volume of business as noted in this state characterized Buick throughout the country, the factory being forced to repeatedly increase its production to meet the heavy sales demand. While final tabulations of Buick sales in the United States have not yet been announced, it is known that national retail deliveries hit a new high.

"The sales records made during 1940 show that Buick was in fourth place in sales in the state, being exceeded in sales by Chevrolet, Ford and Plymouth."

Take Charge, Mister - and Let's Fireball!

THERE'S a new word spreading through the vocabularies of car owners who have made firsthand acquaintances with this slick new 1941 Buick.

It's a word we first picked out as an apt description of a new and better engine - but it is rapidly coming to mean a completely new and excitingly pleasurable manner of motorcar travel.

All over the country, "to fireball" now means to enjoy both ease and dispatch in your travel by car—with a very special new manner of thrift.

Not the ordinary, scrumpy, self-denying sort of thrift, but thrift with all the thrills left in!

Now, just why that happens is easy to understand.

*Optional equipment on the Buick SPECIAL, standard on all other series.

Reenforced by Compound Carburetion* this FIREBALL eight develops nearly 17% more horsepower on exactly the same fuel rationing.

With all that power on call, we can use a more economical gear ratio as our standard high gear—a ratio that ups miles per gallon by giving more revolutions of the wheels for every revolution of the engine.

Then, in addition, we have in Compound Carburetion a fuel supply system that adjusts itself according to the driving conditions you meet.

Thus your engine is always getting the utmost benefit out of the least

amount of gasoline that will give the performance you want.

And that spells economy.

So much economy that a man who drives 15,000 miles a year gets as much as 2,000 miles' extra driving on the same amount of fuel.

And that, Buick buyers will tell you, is something very much worth looking into through a free demonstration such as any Buick dealer will gladly give.

more gifts and more entertaining acts."

Eager enthusiasm is expected among lady patrons with the announcement that beginning next Wednesday night they may have their choice of Maroon Queen Mary Dinnerware or Roseland Silverware, free with the presentation of one adult ticket.

The dinnerware pieces, which will make a complete dinner service for eight, are described as beautifully decorated with a colorful center, full maroon border with a 22-karat gold-lace pattern and edge line.

The distinctive silverware group, which will likewise comprise a complete service for eight, is made by one of the world's largest silverware manufacturers. Smeltzer pointed out that it has an exquisite pattern and that the dinner knives of stainless steel have the new hollow handles.

Opening gifts next Wednesday will be a large service plate in the dinnerware or a hollow handle stainless steel dinner knife in the silverware. Any lady may claim both the dinnerware and silverware pieces by presenting two admission tickets each Wednesday night.

Third program change affects the Wonder Books. After tonight, the books will be given on Monday evenings. Smeltzer announces that all volumes of the University of Knowledge Wonder Books are still available.

"Do not miss this opportunity to obtain a marvelous library virtually free of charge," he emphasized. "Volume one is given to you free."

MEET YOUR NEW NEIGHBORS

Would you believe that little Stevie Anderson, shown at the right, was only one month old the day this photo was taken?

With his bright eyes and dark hair, Stevie seems to be thriving at his new Daly City home at 353 Winchester street. Four-year-old Marilyn's bashful smile seems to indicate that she likes Daly City, too.

Mr. and Mrs. Steve Anderson, parents of the enchanting babies, hope to make their permanent home in Daly City. They moved here less than a month ago from San Francisco, where Anderson is employed in the upholstering business.

This adorable baby is little David Jenks, shown with his parents, Mr. and Mrs. John Jenks, recent newcomers to Daly City.

Little David is eight months old, and his main interest, at present, is the new "horsie" which Santa Claus left him.

"Yes, we like Daly City," Mrs. Jenks said today. "People are so friendly and nice. There is more fresh air for the baby, and we can have our own yard."

Mr. and Mrs. Jenks moved to Daly City from San Francisco the latter part of November. They are making their home at 407 Santa Barbara avenue. Jenks is employed with a service station in San Francisco.

vard south of Colma," Dr. Geiger said. "Through its license she traced it to its owner, Glen C. Llewellyn, 120-A Los Olivos street, Daly City. It had been missing since December 28. She returned it but did not leave her name."

The health director pointed out that if the dog scratched or bit her, she has undoubtedly become infected with rabies.

"We only hope we can find her before any harm that may have been done becomes irreparable," the doctor declared.

Meanwhile, San Mateo county health authorities today revealed that other persons might have been bitten or scratched by the animal.

Dr. W. C. McLean, county veterinarian, said anyone who may have been bitten by the dog should report immediately to the health department in Redwood City.

Most Favored Nation

Under the amended 1930 Tariff act every nation is entitled to any reduction in duty given to any other nation, unless the President proclaim that a certain country is discriminating against our commerce. Such a proclamation was made by the President in regard to Germany. Germany is the only country to whom the most favored nation tariff policy is denied.

This happy family group includes Mr. and Mrs. H. L. Chess and their small son, Henry, who now make their home at 10 East Cavour street in Daly City.

As anyone can plainly see six-year-old Henry likes trains (and so does his dad). Henry attends Thornton school.

Mr. and Mrs. Chess and son formerly resided in Colma, on Second avenue. They moved here early in December. Chess is a pipe-fitter by trade.

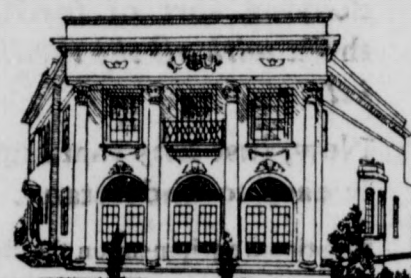

Girl Telephone Employees

The telephone company states that although male operators were used when switchboards were first put into service, it was soon found that the temperaments of men were not suited to such work, so in a comparatively short time they were replaced by girls. Since that time it has been the policy of companies to employ only girls.

RECREATION

Stress Importance Of Committees

The importance of city-appointed Recreation committees was stressed this week by San Mateo county WPA Recreation officials, as they outlined work for the coming year.

Such committees, they pointed out, do much to facilitate the work of the local recreation department and make its opportunities available to everyone.

In Daly City, the recreation committee has sponsored public events, acted in an advisory capacity, planned park and recreation programs, supervised the spending of funds and in general aided in the determination and establishment of policies.

Its members include A. J. Bodien, water superintendent, as co-sponsor's agent; James Ferguson, principal of Jefferson Union high school, as chairman; Mrs. Ann Eason, secretary; Mayor John J. Fahey; Mrs. Mazie Boyle, Richard L. Crane, superintendent of Jefferson elementary school district, and Councilman Edmund Cavagnaro.

With the aid of such recreation committees, the WPA Recreation department during the past four years has been able to greatly increase the interest in supervised recreation and creative leisure-time play in every part of the Peninsula.

The first unit was established in San Mateo in January, 1937. Since that time the program has Daly City, South San Francisco, Redwood City, Menlo Park, East Palo Alto, Burlingame, San Carlos and Millbrae. The units at all these points are co-sponsored by the individual municipalities.

COURT

Punching Opponent In Nose Is Costly

Punching an opponent in the nose at 2 a. m., December 21, cost James Kasnetis, 176 Lily street, San Francisco, exactly \$22.21 in Judge Wade H. Clay's court on Friday.

Kasnetis was charged with battery and disturbing the peace. Sergeant W. W. Sunderland testified that he and Officer A. J. Dalton had just succeeded in breaking up a fight in a vacant lot, at Mission circle and Hillcrest, when

Mr. and Mrs. John Craig Have Brand New Daughter

John Craig, 330 Woodrow street, was seen handing out cigars to his many friends as he proudly told them about the little bundle the "stork" left Monday morning, at 10:52 in a San Francisco hospital.

Mr. and Mrs. Craig's new daughter is named Alma Margaret and both mother and child were reported coming along fine.

Craig is employed at Bert Meritt's Electric shop, 26 Hillcrest drive.

De Soto Makes Stiff Test

California cities recently played host to the record breaking Fluid Drive De Soto which completed a run from New York to Los Angeles without its gear shift lever or clutch having been used on the entire trip, reports James E. Donahue, Daly City De Soto-Plymouth dealer.

Two attractive college girls piloted the car across country and were officially welcomed in many California cities by high civic and government officials.

"Accompanying the Fluid Drive De Soto on its transcontinental trip was a standard transmission car which required a total of 8,259 gear shifts and clutch operations to reach Los Angeles," Donahue declares.

"Both cars were equipped with automatic counting devices," Donahue continued. "These were officially sealed in New York, and certified by the county sealer of weights and measures upon arrival in Los Angeles."

"The Fluid Drive De Soto recorded only one gear shift and one clutch push required to start the car in New York, as against the more than 8,000 gear shifts and clutch operations recorded on the accompanying car equipped with only standard transmission."

"Sponsored by the De Soto factory," Donahue went on to say, "the two car expedition is ample proof that with De Soto's Fluid Drive and simplimatic transmission there is virtually nothing for a driver to do but to steer and brake."

Kasnetis hit Bill Davi and broke his glasses.

Judge Clay ordered Kasnetis to foot the bill for the glasses, \$7.21, and to pay a fine of \$15.

Other offenders this week included Harry J. Love, 550 Eighth avenue, who paid \$5 on a speeding charge; Russell C. Haehl, 41 Santa Anna, fined \$5 for speeding, and Eva Agnes Cook, 1347 Twenty-first avenue, \$2.50, speeding.

Set Trail Ride For Sunday

Rain or shine, the members of the San Mateo County Horsemen's association will hold a trail-ride on Sunday, starting at 11 a. m. from the Homestead Stables, San Mateo, according to Ed Allen, Daly City member of the board of directors. The ride will be held over the Spring Valley trails.

Allen said today that the association had received word from the State highway commission that the rocks will be removed from the Crystal Springs trail crossing within a few days and that the bridge trail from Belmont road to the quarry on the Skyline will be improved. This stretch is used extensively by riders, Allen pointed out.

Plans are being made by the association to hold a two-day ride of 35 or 40 miles some time during May or June, depending upon the weather and other horse events. This type of ride, going as high as three-day, 100-mile rides

"It's All In Fun"
By BOB KEELY

No matter how hard one tries to steer clear of them, fish stories will creep into print now and then. And so—

Strictly amateur fishermen are George Calcagno of Colma Hardware and Quinto Barsotti, butcher at Spring Valley market. In planning a fishing trip, the boys were pleased to invite Vergiglio Franceschi, of San Francisco, a fisherman whose prowess with rod and reel has been heralded from Fort Bragg to Brighton. You've guessed the answer, no doubt. Calcagno, strictly amateur, pulled in several stripers, the largest weighing more than 20 pounds. Barsotti, no less simon-pure in the Izaak Walton art, hooked a 12-pounder.

Which brings us to the famous fisherman, Franceschi, who not only forgot the bread for the boys' lunch, but unhappily failed to lure as much as a minnow to his hook.

Franceschi is now a firm believer in "He who casts his bread upon the waters, etc."

If you own a car of questionable vintage, beware of leaving it unguarded in the vicinity of Westlake Market. For when you return, you're liable to read, in large white letters across the windshield: FOR SALE - VERY CHEAP, or perhaps: A STEAL

PREVENTORIUM

County-Wide Drive Under Way

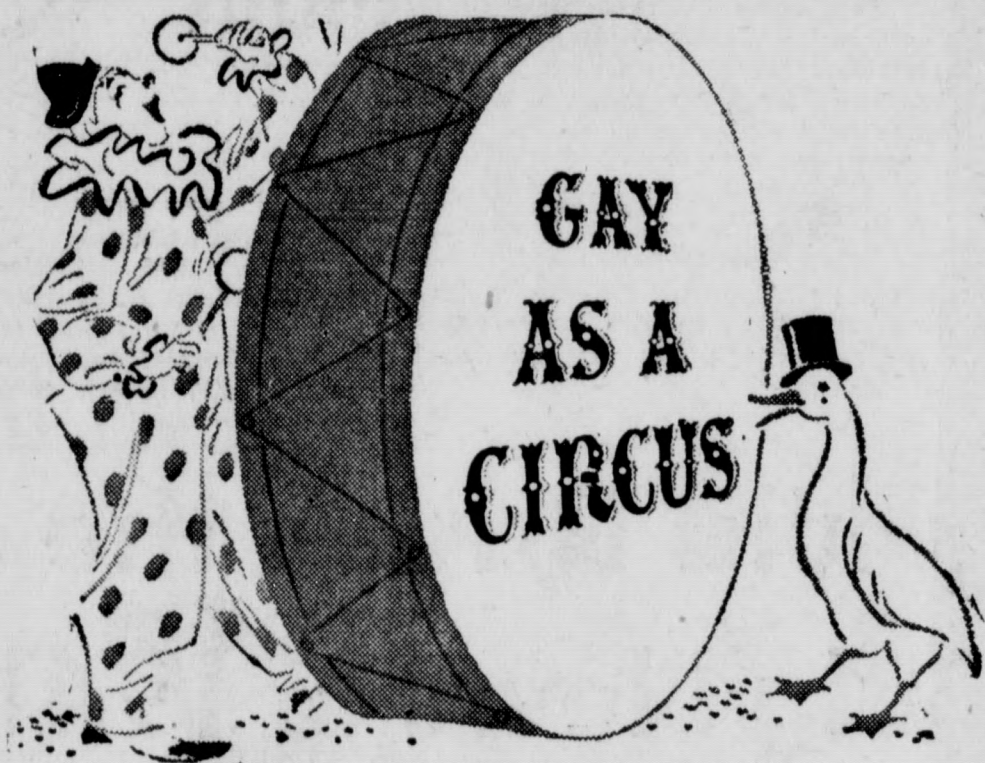

With the slogan, "Let's Give Them Health" the San Mateo Preventorium Membership campaign is well under way throughout San Mateo county this week.

In the Daly City and Colma area, Joseph Sarto, managing owner of Villa sanitarium, is in charge. He explained today that this private, non-profit organization, governed by a board of about 30 public-spirited citizens, gives care to San Mateo county boys and girls predisposed to tuberculosis whose families cannot afford the full cost of the specialized care needed for them.

"The Preventorium comes before the public with a request for memberships only once every three or four years. As a factor in the prevention of tuberculosis in childhood in San Mateo county, it solicits the support of all residents of the county, no matter how small the sum they can afford to subscribe. Since it does not benefit at all from the Christmas Seal sales, it must rely upon its membership for its chief support," Sarto said.

Anyone in this community who can aid in the drive is urged to contact Sarto at RAndolph 3636.

Competition for office in Daly City's newly-organized "Sons of the Legion" will be a keen one, according to all indications.

The election will be held at 7:30 p. m., Monday evening, January 27, at the No. 5 firehouse.

All sons, step-sons, adopted sons or grandsons of any Legionnaire, or of any soldier who died in the service or afterwards, is eligible for membership. There is no age limit.

The squadron will meet regularly on the second and fourth Wednesday of each month, beginning in February, at 7:30 p. m. at the No. 5 firehouse.

In charge of the group are Legionnaires Arthur Quirnbach and Orville Talmadge, with other members of the post assisting.

Mrs. Brown always had trouble getting her children to bed at night. They'd fuss and squirm and fight to stay up "just a little longer."

The problem of Mrs. Brown and her children was solved when she sent for our free pick-up service. We made the children's mattresses over into new comfortable innersprings and now the children just can't wait for bedtime to roll around. The cost was so little, too.

Taking her place at the head of the order for the coming six months will be Dorothy Donofrio, president. Other elective officers include Evelyn Van Oorschot, first vice-president; Shirley Sal-mirs, second vice-president; Florence Flynn, third vice-president; Hazel McDermott, marshal; Ann Biggio, Florence Hopman and Marie Smith, trustees; Adele Wood, organist; Irma Zerga, inside sentinel; and Alice Henderson, outside sentinel.

Eloise Schillig will take her place as past president of the parlor, while Pauline Quirola will be the retiring past president.

Present book officers, who are elected in June for a period of one year, include Christine Hulme, financial secretary; Rena Mathias, treasurer, and Hattie Kelly, recording secretary.

Eagles Invite Public To January Whist

Everything's included in the price of the ticket, when you purchase your admission to the Eagles January whist party Monday evening at Eagles hall.

An unusually large cash door prize is just one of the numerous awards which will be made during the evening.

Sponsored by Colma Vista Grande Aerie No. 1848, Fraternal Order of Eagles, the game will begin at 8 p. m.

Chairman Larry Shaw cordially invites the public to attend.

Company No. 2 Installs Officers

Installation of 1941 officers was the highlight of a meeting of Company No. 2, D. C. F. D., last Wednesday evening. Following the ceremonies, a delicious "bean feed," prepared by Mrs. H. W. A. Rickmann, wife of Company No. 2's secretary, was enjoyed by everyone.

Comrade Emil Forsell, fire commissioner for Company 2, read a lengthy report, and Assistant Chief Fritz Hanson gave his monthly report.

Applications for membership for Company 2 were received and referred back to the city clerk to be placed on file.

Nearly every man in Company 2 renewed his membership in the California State Firemen association for the year 1941. All firemen, whether paid or volunteer, are eligible for this association, which boasts a membership of several thousand.

Battalion Chief Elmer Kennedy instructed the men in the use of the hand chemicals which are often used in automobile fires.

Captain Gus Ford reminded his men that it is vital for each member to know the exact location of alarm boxes in his district.

ago, the Senior Girl Scout group already numbers sixteen members. They plan to meet regularly each Friday from now on under Mrs. Ingersoll's leadership.

WE NEED SOMETHING THAT WORKS—
MAYBE THIS WOULD

Dr. Knight Dunlap, professor of psychology on the Los Angeles campus of the University of California, has recently suggested that to have a society that will remain at peace and function efficiently, the world will eventually create an international police force.

He points out that an international police force is as necessary to the world as it is to any individual nation saying, "only the physical force of the police and the army, backed by the force of the citizenry, maintains law and order and enables us to enjoy the rights and privileges we do enjoy."

In his opinion post-war settlements usually fail because responsible nations neglect subsequently to apply force to maintain the settlements. Only an international police force will be able to guarantee the peaceful solution of economic and social problems after the present conflict ceases, he believes.

"There is not, and cannot be, any question of the supremacy of might as compared with right. There are three courses which individuals and nations alike must choose: the craven course of refusing to use what might they have, the criminal course of using might in the course of injustice, greed and destruction, and the moral or civilized course of employing might in the service of right."

We do not purport to know whether the professor's suggestion would work or not. None the less, we suggest that the plan might work and that it is at least worthy of serious study.

This war should shake the world into facing its troubles, not running away from them. And when peace comes, if it does, it will be necessary to meet and solve the problem of keeping that peace.

Initiate Sea Scouts Of Ship No. 1 At Court Of Neptune

You don't have to sail the seven seas and cross the equator to be initiated into the Court of Neptune.

That legendary sailor's rite, with all its solemn and hilarious ceremonies, was performed Saturday night in Daly City for the benefit of Sea Scouts of Ship No. 1.

Taking the place of formal initiation, the Court of St. Neptune was conducted at No. 5 firehouse by Sea Scouts from Dolphin No. 129 of San Francisco. In charge of the Dolphins was Skipper Charles Eberling.

Directing the local ship on Saturday evening were Skipper Mel Hanson, First Mate Aldon Alberigi and Chief Boatswain Lawrence Christiansen.

Selected for the special attention of King Neptune were the following candidates: John Coleman, Tom Beeson, Roland Vergagni, Ed MacIntosh, Clarence Parr, Clifford Harr, Richard Duste, Heinz Kohlmann, Charles Wolff, Raymond Gamba, Fred Watterman, Stanley Nelson and Don Geddes.

Following up their Saturday initiation, Sea Scouts spent most of Sunday working on their boat, The Falcon, which they hope to launch in the next few weeks.

Pat O'Brien Stars In "Knute Rockne," Thrilling Drama Opening Tomorrow

Pat O'Brien As The Great 'Rock'

One of the most unusual screen stories in recent times will make its local debut at the Daly City theatre tomorrow when Warner Brothers' new film, "Knute Rockne—All American," opens.

It is a film life story of one of America's greatest and wisest heroes—Knute Rockne. The picture traces Rockne's life from his early childhood in Norway to his tragic death in 1931. His life was full of excitement, despair, love and triumph. The film, with Pat O'Brien cast as the Notre Dame football wizard, faithfully portrays those elements and keeps alive the true 'spirit of Rockne.' His vigor, his astute philosophy, the great teams he built, the developing of the famous 'Four Horsemen' are all told with a skillful blending of power and subtlety in "Knute Rockne—All American." O'Brien is said to have given such a realistic portrayal of the real

"Rock" that Knute's closest friends were amazed at the startling likeness in even the smallest gesture.

The brilliant supporting cast consists of Gale Page as Bonnie, Knute's wife; Donald Crisp as Father Callahan, president of Notre Dame, and Ronald Reagan in the greatest role of his career, that of the renowned George Gipp. The players that portray the roles of the "Four Horsemen" have all seen action on the gridiron.

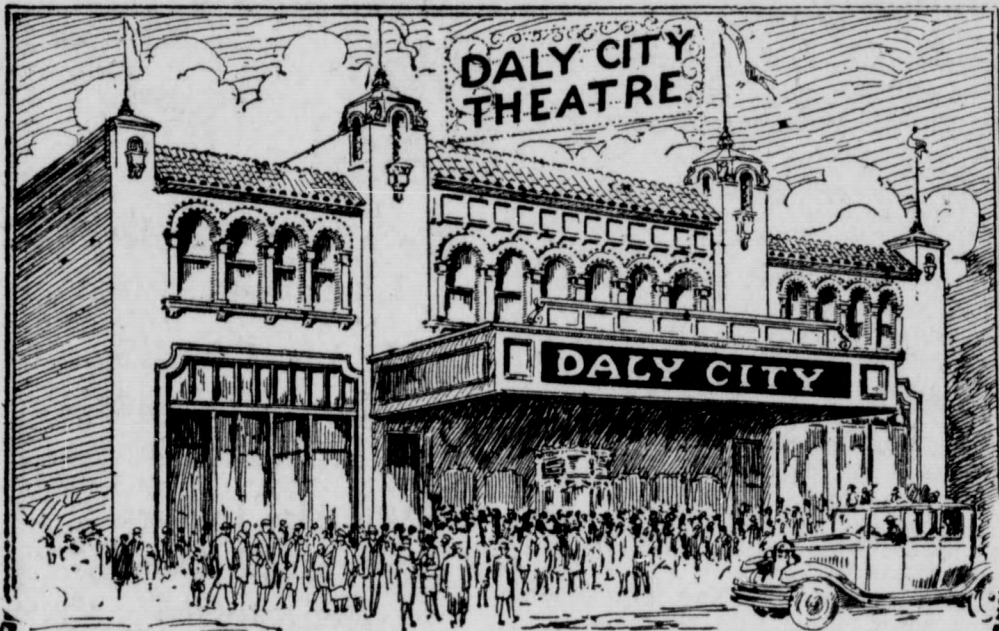

Lloyd Bacon, whose forte is action films, has kept his record unmarred in the direction of this greatest of film biographies. Robert Buckner wrote the original screen play based upon the private papers and reports of Rockne's intimate associates and friends.

Companion feature on the new bill will be "Dancing On A Dime," starring Robert Paige and Grace McDonald.

Pillar Point—

Authorization by congress for a survey by army engineers of a proposed breakwater at Pillar Point is sought in a bill introduced in the lower House this week by Representative John Z. (Jack) Anderson.

He explained that, given proper protection, Half Moon Bay would not only be a valuable harbor and refuge for fishing boats and other commercial vessels, but also would be "unexcelled as a naval base" for small craft.

Gay...Giddy and Frivolous are these PARTY CANAPES and APPETIZERS

by Dorothy Greig

A large handsome grapefruit makes a good holder for Hot Mushroom-Ham Appetizers.

THOSE bright bites known as canapés and appetizers are certainly nothing to feed to the baby or to a man after a hard day's work. They belong strictly in the realm of wonderful nonsense. They are the sparkle in the rosy aura of expectation that hovers over the party refreshment table.

Since they are flavor bites, let's make them keen and tangy with maybe a touch of the unexpected. Serve them as accompaniments of tomato juice, punch or other refreshers, the prelude to the more substantial foods to follow. As our contribution to more and better parties we suggest:

Hot Mushroom-Ham Appetizer

¾ cup condensed cream of mushroom soup
¾ cup fine soft bread crumbs
¼ cup ground ham
¼ teaspoon prepared mustard
¼ teaspoon Worcestershire Sauce
Stir the cream of mushroom soup well. Then add soft bread crumbs, ground ham, prepared mustard and Worcestershire Sauce and mix. Shape into small balls about the size of a marble.

For breading:

1 egg
2 tablespoons water
¼ cup cornflake crumbs (rolled very fine)

Beat the egg slightly and add the water to it. Roll the appetizers in the egg mixture, then in crumbs.

Fry in deep fat (375°F.) until brown or about 2 minutes. Put on a toothpick, arrange toothpicks in a large grapefruit, apple, cabbage, or appetizer holder. Makes 40 appetizers.

Rosy Cheese-Bacon Canapés

1 package (3 oz.) cream cheese
5 pieces crisp bacon, chopped
3 tablespoons condensed tomato soup
¼ teaspoon Worcestershire Sauce
Cream the cheese. Then add chopped bacon, tomato soup and Worcestershire Sauce and mix well. Spread on toast or canapé crackers.

Hot Shrimp-Mushroom Appetizer

1 can (5½ ozs.) shrimps
1 tablespoon butter
1 can condensed cream of mushroom soup
3 tablespoons cream
Grated cheese
Clean the shrimps. Melt the butter and sauté the shrimps until delicate golden brown. Add the cream of mushroom soup and cream and mix well. Put into midget ramekins or shells, sprinkle with cheese and brown off under the broiler. Makes 8 hot appetizers.

Smoky Celery Canapés

1 package (3 oz.) cream cheese
¼ cup condensed celery soup
1 cup salami, ground
Cream the cheese and add the celery soup. Then add the ground salami and mix well. Spread mixture on toast or crackers and heat under the broiler until golden brown.

QUEST FOR YOUTH

Leader Says Gymnastics Can Make You 'Younger'

What can you do to look and feel ten years younger?

Miss Marie Bell, local WPA Recreation leader, has the answer. Fun and exercise, she says, will chase away the pounds and wrinkles.

Re-opening after the holidays, Miss Bell's classes in rhythmic gymnastics, held each Wednesday evening in the Jefferson Union high school gymnasium, are open to everyone.

Here, from 7 to 10 p. m., members learn new dance steps, play at games ranging from ping pong to basketball, do the "daily dozen" type of exercise, and perhaps even splash around in the swimming pool.

The only requirement is that tennis shoes must be worn on the gymnasium floor. There is no fee or charge attached to the classes.

"Why don't you join, too?" Miss Bell asked today. "We have a place open and waiting for you, and some activity you will like. The Jefferson gym is one of the finest on the Peninsula, and its facilities are yours to enjoy."

'Unfinished Business'

In a study of "Unfinished Business" in America, one authority reports that 200,000 railroad grade crossings are yet to be eliminated, 20,000,000 families are still without telephones, one out of five families lacks a radio, and only 38 per cent of U. S. water power is developed.

"Mercy Ship" To Sail For Greece This Week

Carrying over a million dollar's worth of critically needed relief supplies for Greek war victims, an American Red Cross "Mercy Ship" will leave New York for Athens some time this week.

The announcement was made here today by Miss Helen Percy Chesebrough, vice-chairman of the San Mateo county chapter, American Red Cross.

Today's announcement brought American Red Cross relief to Greece to approximately \$1,400,000. Red Cross relief from this country has been made possible through contributions to the Red Cross war relief fund and through

purchases made by the United States government from the congressional appropriation for foreign war relief.

THIS WEEK --- At Jefferson Union High School

Classes

DRAMATICS

Today at a pay assembly, Sigfred Hansen's dramatics class will present two one-act plays to the student body. If the class' performance is half as good as their recent stage achievement, the "Christmas Pageant," the students are certain to get their money's worth.

"Just Another Saturday" will be the first play presented, with Gloria Bigazzi, Lillian Le Koff, Dorothy Kampa, Muriel Hollingsworth, Virginia Fellman, Melba Frei and Eldred Hahn making up the cast.

For their second one-act play, "From Schoolbell to Recess" will be given. The cast will be composed of Mary Heywood, Adele Menjou, Amy Vincent, Don Hertz and Bill Clement.

SENIOR EDITION

With less than two weeks to go, the Senior edition staff have rolled up their sleeves, got out their ink and paper and started to work. This semester's senior edition promises to be bigger and better than ever.

Composing the staff are: editor-in-chief, John Razzari; associate editor, Norma Barker; assistants, Lorraine Anderson, Betty Coen, June Core, Stanley Downall, Ray Fellman, Eugenia Filios, James Matteucci and Ann Plate. Under the supervision of William Childers, the art classes promise a lot of cartoons to add to the color of the book.

Advisors for the edition will be Clive M. Saiz in charge of journalism; William Childers, head of art; Miss Marjorie Robinson, mimeographing, and Durant Moseley in charge of photography.

Sports

VARSITY

Jeff's varsity cagers met defeat at the hands of the San Jose Tech high school last Tuesday in a rough and tumble match. The San Jose team proved to be better than our boys, and brought in a score of 45-33.

Bringing in 13 of the 33 points, Briseno captured high place on the Jefferson team. Close behind him for second place was John Razzari with 11 points to his credit.

The boys lined up as follows: F, Razzari; F, Briseno; C, Capps; G, Faulk; G, LeKoff.

Other players were: Steele, Spark, Dyer, McGrath, Ruppert, Cacci, and Sharp.

The 30's were also unfortunate in their meet last Tuesday as the San Jose Tech high skinned the boys to the tune of 31-25. The match, the last practice game before the league opened, was a good tough battle to the end.

The line up included: F, McHugh; F, Razzari; C, Domecus; G, Parker; G, Huerta.

Other players were: Wiseman, Callan and Ferrando.

G. P. A. L.
Now that the New Year has been duly christened, and the new term is just around the corner, Miss Juanita Young's girls have started their basketball practice in earnest.

The girls have approximately four weeks of hard practicing to put in before they begin their games.

Music

Jeff started the New Year off right Thursday, with an

A-1 assembly presented by Lembi's Cowboy Band. The band's first performance of the new year proved to be a huge success.

George Percival, Frank Rivas, Joe Armanino, Roy Di Vencenzi,

Larry McKeown, Salvatore D'Urso, together with their washboards, jugs and what have you, played a band specialty "It Makes No Difference", and also accompanied the singers.

Daisy and Judy Yonan, Jefferson's popular sisters, sang "Hand Me Down My Walking Cane". In a solo Daisy sang "El Rancho Grande" and "Mama Yo Quero".

Popular Tillie Castro, assistant yell leader, sang "Trade Winds" and "Nobody's Baby".

George Percival, violin player, sawed off several violin solos, "The Girl I Left Behind Me" and "Irish Wash Woman."

Lawrence Caserza concluded the program with "Oh! You Beautiful Girl," and "When You Were a Red Tulip."

GRADUATION

With graduation just around the corner, the Jefferson chorus and orchestra are hard at work preparing the music for the occasion. The chorus expects to sing several numbers and the orchestra will play the recessional march.

WOODWIND GROUP

Monday afternoon the Jefferson PTA was entertained with a woodwind group under the direction of Oscar Busch. Composing the woodwind group were: clari-nets, Angelo Ditty, Norman Wiseman, Lloyd Rentsch; alto sax, Adrienne Travers; French horn, Harvey Melicker; piano, Eugene McClain, and bassoon, Oscar Busch. Schubert's "Ave Maria" and a Russian folk song, which the group played, were arranged for them by Busch's Harmony class.

Campus Fashions

Fashion experts have started the New Year off right with fashion lines packed full of inexpensive campus frocks and suits. Just a few are mentioned in the column this week, but more are to come.

Any girl will feel right in the "Pink" when she is decked out in one of these delectable pastel jersey suits. These suits add a lot

of zipp to your winter costumes and help make a noble beginning for your spring wardrobe. Fashioned in dusty rose, heaven blue, aqua, beige, gold and cocoa they are indeed a picture of a young girl's dream. A soft angora pill-box hat will complete your outfit down to the last letter of perfection.

Play "Jacks" for keeps with this darling model of a leisure dress that can be had for practically nothing.

This sport dress comes styled in black, soldier blue, or moss green. (Either of the above colors will look fetching on a honey colored blonde.) Fashioned along the lines of a shirt maker, the front of the dress is decorated with jacks for buttons, and the back is made with a clever yoke top with a blouse effect. The dress is quite novel and, for service, will prove worth it's weight in gold.

A dress that is coming in close for honors this winter, is a triton light wool crepe. Designers have combined beige and green for the bodice and fashioned it on a skirt of chocolate brown. A soft belt, twisted in front, is fastened with the same lustrous metal buttons that adorn the blouse. Your monogram done in chocolate brown, to match the skirt, is embroidered on the bodice to give it that personal touch.

After a two week's vacation, Gloria Fontana, a junior, came back to school with a twinkle in her eyes and a broad smile on her face and claimed this week's fashion bouquet.

Dressed in a true campus outfit of beige and brown she was indeed the picture of a 1941 campus miss.

She has a "peaches and cream" complexion, deep blue eyes and jet black hair. Her outfit was a beige sweater, white shirt and brown skirt.

So this week's Fashion bouquet, along with an extra orchid, is handed to our choice of the week, Miss Gloria Fontana.

Don Cossacks, Heifetz To Appear

Serge Jaroff's internationally famous singing giants, the Don Cossacks, and Jascha Heifetz, one of today's greatest violinists, will be the next two attractions of the San Francisco Opera association at the War Memorial Opera house. The Don Cossacks, with a new repertoire of songs of Old Russia, will be tomorrow night, and Heifetz will be next Tuesday evening.

Jaroff's Don Cossacks have been organized since the end of the first World War and this will make their eleventh transcontinental tour of the United States. In the two years since they were last here Jaroff has devoted much painstaking research to enlarging the repertoire of his organization.

The program will include religious, folk songs and the martial music of the fierce fighting Cossacks of the River Don.

Heifetz, who has circled the globe four times with his famous fiddle, is one whose name spells magic wherever Bach, Beethoven and Brahms are known and revered.

Heralded as the successor to the great Paganini, Heifetz has not been satisfied to rest on the laurels he has so easily won, but has driven himself year by year to greater and greater achievement.

Tickets for both concerts are now on sale at Sherman Clay and company.

He-men like,
As well they might,
Steaks and chops,
Broiled just right.

And that's how we cook 'em!

A. J. Bertini Attends Meeting Of Ford Officials

Enthusied over the reception given Ford, Mercury and Lincoln cars, Ford officials of the Richmond branch of the Ford Motor company met at the Fairmont hotel in San Francisco, last week, to lay plans for an intensive sales and advertising program. The meeting was attended by A. J. Bertini of National Auto company, who brought back details for an immediate campaign in this community.

Bertini pointed out that the new and bigger 1941 Ford car, with its numerous improvements and advantages, represents the outstanding value on the motoring market.

"By making the 1941 Ford bigger inside and outside, they have made the car look as though it belongs in a higher price class," said Bertini. "By our meeting in San Francisco, we brought out ways and means of bringing this fact to the public attention, and while Richmond officials say they are more than pleased with sales activity so far, we really intend going to town in the next few months."

Mercury and Lincoln sales in this area have also been most pleasing, Bertini found out at the San Francisco meeting.

The Fairmont hotel gathering, presided over by C. R. Mullen, manager of the Richmond branch, was attended by 350 Ford, Mercury, and Lincoln dealers and salesmen.

"We've got the finest products in the automobile business," said Mullen.

Upon returning to Daly City, Bertini said he would plunge immediately into plans outlined by the Richmond officials.
